Mally Mall

This gon' be your favorite song
Mally Mall
Are we fucking or what?
Lay back packs ain't popping a cut
Are we fucking or what?
Lay back packs ain't popping a cut{Hook-Eric Bellinger}:
I can't tell you a freak
Let me get it from the back now, don't hold out
I can't tell you a freak
Don't play with a real nigga that wanna hit it now
I gotta hundred bands on me
So baby tell me tell me what it's gonna be
They say money don't grow on trees
But Mally Mall in this bitch with me
I can't tell you a freak
{Too \$hort}:
