

# Thank You for the Venom

## My Chemical Romance

Sister, I'm not much a poet, but a criminal  
And you never had a chance  
Love it, or leave it, you can't understand a pretty face,  
But you do, so carry on  
and on  
and on I wouldn't front the scene if you paid me  
I'm just the way that the doctor made me, on  
and on  
and on  
and on  
Love is the red, the rose on your coffin door  
What's life like? Bleeding on the floor  
the floor  
the floor  
You'll never make me leave  
I wear this on my sleeve  
Give me a reason to believe So give me all your poison  
And give me all your pills  
And give me all your hopeless hearts and make me ill  
You're running after something that you'll never kill  
If this is what you want, then fire at will  
Preach all you want but who's gonna save me?  
I keep a gun on the book you gave me,  
Hallelujah, lock and load  
Black is the kiss, the touch of the serpent son  
It ain't the mark or the scar that makes you run  
and run  
and run  
and run.  
You'll never make me leave  
I wear this on my sleeve  
Give me a reason to believe  
So give me all your poison  
And give me all your pills And give me all your hopeless hearts and make me ill  
You're running after something that you'll never kill  
If this is what you want, then fire at will  
You'll never make me leave  
I wear this on my sleeve  
You wanna follow something  
Give me a better cause to lead  
Just give me what I need Give me a reason to believe  
So give me all your poison

And give me all your pills  
And give me all your hopeless hearts and make me ill  
You're running after something that you'll never kill  
If this is what you want, then fire at will  
So give me all your poison (Fire at will)  
And give me all your pills  
And give me all your hopeless hearts (Fire at will) and make me ill  
You're running after something (Fire at will) that you'll never kill  
If this is what you want (Fire at will) then fire at will
