

Bullshit

Mindless Self Indulgence

After this the rest is all bullshit (ooo)
After this the rest is all bullshit (ooo)
After this the rest is all bullshit (ooo)
After this the rest is all bullshit I'm so down underground I be scalping all my tickets
Forging all my soundscans like y'all could tell the difference
The mission fishing for the disinfranchised little kids
Then shoot them in a barrel, it's so easy when they're pissed
Undereducated, extra caffinated
I just masterbated, now I'm motivated
Can't live with us, you can't live without us (ooo)
We fake and you take it, and then cash my paycheck
You can call me little miss piss with a kiss
And after all this the rest is all bullshit
You love it
You love it
You love it
You love it After this the rest is all bullshit (ooo)
After this the rest is all bullshit (ooo)
After this the rest is all bullshit (ooo)
After this the rest is all bullshit I bump it like a pimp on stage to save face
I over compensate with very bad taste
No offence, no romance, sick of your parents
About to take a stance in your childrens' underpants
It's no accident that you will pay my rent
And I am free to download all the porno on the Internet
A puppet on a shtick, shtick, not too fuckin' quick, quick
Now that I'm a prick, prick, y'all can jock my dick
Say 'no' to brains, it's a no brainer, lowest common demoninator
It pays the bills to be this sterile
Fuck me now rip me off later
You love it
You love it
You love it
You love it After this the rest is all bullshit (ooo)
After this the rest is all bullshit (ooo)
After this the rest is all bullshit (ooo)
After this the rest is all bullshit You can call me little miss piss with a kiss
You can call me little miss piss with a kiss
(You can't live with us, you can't live without us)
You can call me little miss piss with a kiss
You can call me little miss piss with a kiss
(You can't live with us, you can't live without us) Ooo

Ooo
Ooo
OooOoo
Ooo
Ooo
OooOoo
OooOoo
Ooo
