

# Loveeeeeee Song (feat. Future)

Rihanna

Ain't nothin' wrong with it...I don't wanna give you the wrong impression  
I need love and affection...  
And I hope I'm not sounding too desperate  
I need love and affectionLove... love... love... love and affection  
Love... love... L-O-V-E-E-E(And affection) Oh baby...  
I'm not asking for the world, maybe  
You can give me what I want, baby  
Come hold me tight and when I'm drowning save me  
Give it to me on a daily if I'm your girl say my name boy  
Let me know I'm in control  
We both grown so how we feel we can let it show  
Won't play around...  
I wanna lay you down...  
I need you now, I need you now (oh oh)  
I don't wanna give you the wrong impression  
I need love and affection...  
And I hope I'm not sounding too desperate  
I need love and affectionLove... love... love... love and affection  
Love... love... L-O-V-E-E-E(And affection) Boy lately...  
You've been stingy with your time  
Got me wondering, I'm wondering if I'm on your mind  
Boy, I just wanna be in your possession  
You say I'm the one you want so come express itDon't slip, don't slip  
Cause a nigga might push up on it  
Don't really wanna lose this moment  
Why window shop when you own this (ah-ah-ah)  
Don't put it down...  
Don't fuck around...  
I want you now, I want you now (oh oh whoah)  
I don't wanna give you the wrong impression  
I need love and affection...  
And I hope I'm not sounding too desperate  
I need love and affectionLove... love... love... love and affection  
Love... love... L-O-V-E-E-E and affectionCan you love me for poor...  
I'm searching for my soul...  
Whoever turned you cold...  
You need to let 'em know...  
I can work miracles...  
I work it physical (physical)...  
And when I hold you close  
You can hear heart beating from my clothes(Oh woah oh) Future...I don't wanna give you the wrong  
impression

I need love and affection...  
And I hope I'm not sounding too desperate  
I need love and affection Love... love... love... love and affection  
Love... love... L-O-V-E-E-E and affection
