## **Fall At Your Feet (Acoustic)**

## **James Blunt**

I'm really close tonight
And I feel like I'm moving inside her
Lying in the dark
And I think that I'm beginning to know her
Let it go
I'll be there when you call
And whenever I fall at your feet
Do you let your tears rain down on me?

Whenever I touch your slow turning pain You're hiding from me now

There's something in the way that you're talkin'

Words don't sound right
But I hear them all moving inside you

Go now

I'll be there when you call And whenever I fall at your feet Do you let your tears rain down on me?

Whenever I touch your slow turning painThe finger of blame has turned upon itself

And I'm more than willing to offer myself

Do you want my presence or need my help?

Who knows where that might lead

I fall

The finger of blame has turned upon itself And I'm more than willing to offer myself Do you want my presence or need my help? Who knows where that might lead I fall at your feet
