

# Get Out of This Town

Carrie Underwood

Got it all figured out inside of my head  
There's a bag packed up at the foot of my bed  
You say the word, baby, I'm all set We'll cover our tracks, tell a couple white lies  
Make sure we got a good alibi  
And by the time they catch on we'll be outta their sight  
Long gone, baby Let's get out of this town tonight  
Nothin' but dust in the shadows  
Gone by mornin' light Somewhere we won't ever get caught  
Ever be found  
Baby, let's just get out of this town Don't need directions, don't need a map  
If we get lost I'll be good with that  
Yeah, we'll find a way to make the time pass  
Windows rolled down with the heat on high  
Stars all aligned in a runaway sky  
Holdin' my hand as the miles roll by  
Long gone, baby Let's get out of this town tonight  
Nothin' but dust in the shadows  
Gone by mornin' light Somewhere we won't ever get caught  
Ever be found  
Baby, let's just get out of this town If we leave tonight and drive fast enough  
All our troubles will be just like us  
Long gone, baby Let's get out of this town tonight  
Nothin' but dust in the shadows  
Gone by mornin' light  
Somewhere we won't ever get caught  
Ever be found  
Yeah, let's get out of this town tonight Let's get out of this town tonight  
Yeah, we won't ever get caught  
Ever be found  
Baby, let's just get out of this town
