Love Letters

Miranda Lambert

Love Letters on wet paper
Forgivers, no takers
An angel who never got wings
You find Jesus and it's too late
He's already closed the front gate

And the sign's flashing no vacancy You've broken my heart for the last time

You promise the truth and you told lies

You've really made me believe

That love was supposed to be free

Love letters on wet paper

Forgivers, no takers

An angel who never got wings

You find Jesus and it's too late

He's already closed the front gate

And the signs flashing no vacancyI'll never forget how he used to be

But I'm better off living with memories

I know that it's gonna hurt

But I don't think it gets any worse

And love letters on wet paper

Forgivers, no takers

An angel who never got wings

You find Jesus and it's too late

He's already closed the front gate

And the sign's flashing no vacancy Yeah, my heart's flashing no vacancy
