Bhad Bhabie

[Chorus]

I ain't nothin' like these hoes (no)
Don't compare me to no one (don't do it)
Money green like CeeLo (yup)
Yeah, my pocket so swole up

[Verse 1]

Fake ass jewelry, got a neck rash (eww)

These hoes be dick riding, think they gone come up cause they let you fuck (you a hoe)
These hoes be full of drama, they always with the extra
These hoes, they wake up, they beggin'
On the Gram, they be fake flexin' (why you lyin')
These hoes, they wake up, they broke (eww)
They mattresses be on the floor (haha)
These hoes, they wake up, they messy
They runnin' they mouth, they so petty (petty)
These hoes, they feed off attention (yup)
Zero time, that's what I give 'em

[Chorus]

I ain't nothin' like these hoes (no)
Don't compare me to no one (don't do it)
Money green like CeeLo (yup)
Yeah, my pocket so swole up
Man, I ain't nothing like these hoes (no)
Don't compare me to no one (don't do it)
Money green like CeeLo
Yeah, my pocket so swole up
(Yeah, yeah, yeah)

[Verse 2]
Look these hoes be lackin', see me in the back
They talk all this shit, but don't say it in person
Won't catch me off guard on no boulevard
Foreign my car, and my driver my guard
Water, water drippin', come take a peak
You in a trailer hoe, bitch you can't compete
I'm riding solo don't need no one but me

Run up a check, yeah we runnin' the streets
Red cup? No it ain't Kool-aid
Got me fed up, you hoes too fake (yeah)
One minute he your man, he your ride or die (haha)
Next minute on the Gram with a new bae (wow)
These hoes, these hoes, shame on these hoes (fakin bitch)
I'm in the Maybach, I heard you got repoed
Hair done, diamonds on, need a pea coat (bitch)
Heard the feds listening, gotta speak low[Chorus]
I ain't nothin' like these hoes (no)
Don't compare me to no one (don't do it)
Money green like CeeLo (yup)
Yeah, my pocket so swole up
Man, I ain't nothing like these hoes (no)
Don't compare me to no one (don't do it)
Money green like CeeLo
Yeah, my pocket so swole up
(Yeah, yeah, yeah)[Outro]
