

# Irish Heartbeat

Van Morrison & Mark Knopfler

Oh, won't you stay  
Stay a while with your own ones  
Don't ever stray  
Stray so far from your own ones For the world is so cold  
Don't care nothing for your soul  
You share with your own ones Don't rush away  
Rush away from your own ones  
One more day  
One more day with your own ones  
Yes, the world is so cold  
Don't care nothing for your soul  
You share with your own ones There's a stranger  
And he's standing by your door  
Might be your best friend, might be your brother  
You may never know I'm going back  
Going back to my own ones  
Back to talk  
Talk a while with my own ones  
This old world is so cold  
Don't care nothing for your soul  
You share with your own ones This old world is so cold  
Don't care nothing for your soul  
You share with your own ones
