

# All I Really Want (2015 Remastered)

Alanis Morissette

Do I stress you out?  
My sweater is on backwards and inside out  
And you say, "How appropriate."  
I don't want to dissect everything today  
I don't mean to pick you apart you see  
But I can't help it  
And there I go jumping before the gunshot has gone off  
Slap me with a splintered ruler  
And it would knock me to the floor if I wasn't there already  
If only I could hunt the hunter And all I really want is some patience  
A way to calm the angry voice  
And all I really want is deliverance  
Do I wear you out?  
You must wonder why I'm relentless and all strung out  
I'm consumed by the chill of solitary  
I'm like Estella  
I like to reel it in and then spit it out  
I'm frustrated by your apathy  
And I am frightened by the corrupted ways of this land  
If only I could meet the Maker  
And I am fascinated by the spiritual man  
I'm humbled by his humble nature, yeah And what I wouldn't give to find a soulmate  
Someone else to catch this drift  
And what I wouldn't give to meet a kindred Enough about me, let's talk about you for a minute  
Enough about you, let's talk about life for a while  
The conflicts, the craziness and the sound of pretenses  
Falling all around, all around  
Why are you so petrified of silence?  
Here, can you handle this?  
Did you think about your bills, your ex, your deadlines?  
Or when you think you're gonna die?  
Or did you long for the next distraction?  
And all I need now is intellectual intercourse  
A soul to dig the hole much deeper  
And I have no concept of time other than it is flying If only I could kill the killer  
And all I really want is some peace, man  
A place to find a common ground  
And all I really want is a wavelength  
All I really want is some comfort  
A way to get my hands untied  
And all I really want is some justice...
