

Weenie Beenie

Foo Fighters

I'm molasses
hung in rent.
Read a sponsor
one shot no postshow. Tear it off
but not alot
it's not enough to debate. As if you blame
real and stagnate.
Real and stagnate.
Big shit no shit. Tear it off
but not alot
only so much yuo can take.
Some try that hit
beast and mudlead.
Beast and mudlead.
Big shit no shit. Tear it off
but not alot
only so much you can take. As if you blame
real and stagnate.
Real and stagnate.
Big shit no shit. Tear it off
but not alot
it's not enough to debate. I'm molasses
hung in rent.
Read a sponsor
one shot no postshow.
Tear it off
but not alot
only so much you can take. One shot nothing!
One shot nothing!
One shot nothing!
One shot nothing!
One shot nothing!
One shot nothing!
