

Magic

Oh oooh
La la la la la la
Oooh oooh yeah
La la la la la There goes
My heart again
Joyful at how we've made a great connection
That's for sure
I know that since (I got you boy)
All I see is sunshine
Oooh you make this girl
Blush, all the time
It must be magic (It must be)
'Cause what you do to me I can't understand it (Oh oooh)
It must be magic (It must be)
'Cause what you do to me I can't understand it (Oh oooh) There goes
There goes my heart again
Wonderful, I say
You are the best thing since ice-cream
I made my wish (I got you boy)
And all I see is starlight (Oooh)
You make this girl
Rush, home at night It must be magic (It must be)
'Cause what you do to me I can't understand it (Oh oooh)
It must be magic (It must be)
'Cause what you do to me I can't understand it (Oh oooh)
The love you give me (goes)
Said it's so outstanding (goes)
My heart started beating for ya (goes)
And I'm enchanted and it (goes)
I'm smitten with (goes)
How all this is happening (goes)
My heart is telling me this love is so right oooh It must be magic (It must be)
'Cause what you do to me I can't understand it (Oh oooh)
It must be magic (It must be)
'Cause what you do to me I can't understand it (Oh oooh)
(Yeah)
