Clocks

Coldplay

The lights go out and I can't be saved Tides that I tried to swim against You've put me down upon my knees Oh, I beg, I beg and plead, singingCome out of things unsaid Shoot an apple off my head, and a Trouble that can't be named A tiger's waiting to be tamed, singing You are You areConfusion never stops Closing walls and ticking clocks, gonna Come back and take you home I could not stop that you now know, singing Come out upon my seas Curse missed opportunities, am I A part of the cure Or am I part of the disease? singingYou are You are You are You are You are You are And nothing else compares Oh, nothing else compares And nothing else comparesYou are You are Home, home, where I wanted to go Home, home, where I wanted to go Home, home, where I wanted to go
