Dead To Me

Kali Uchis

I don't know what you've been told See, I am not your enemy, uh oh But if there's one thing that I know Is that you ain't a friend to me, uh ohSo don't come for me unless I send for you Know you're dead to me (uh, oh) Just don't come for me, I won't send for you Know you're dead to me You're dead to me, ohYou're dead to me You're obsessed, just let me go You're dead to me I'm not somebody you know You're dead to me Could you just leave me alone? You're dead to me What you say to me? I can't hear a thing Try to talk some sense to myself, but I won't listen I'm what God made of me Don't need to pretend It's okay to disagree, we don't have to be friends See, you think you got problems with me? But baby I don't even think about you You're mad at everything I do But what are you up to? I haven't a clue 'Cause baby you're dead to me Why can't I be dead to you? I think that we both know the truth You're obsessed, just let it go You're dead to me You're obsessed, just let me go You're dead to me I'm not somebody you know You're dead to me Could you just leave me alone? You're dead to meWhy can't you see you're dead to me? Just let it be, you're dead to me Why can't you see you're dead to me? Just let it be, you're dead to meYou're obsessed, just let it go You're dead to me You're obsessed, just let me go You're dead to me

I'm not somebody you know You're dead to me Could you just leave me alone? You're dead to me You're dead to me
