

# Bummerland

AJR

[Chorus]

Bummerland, here I am  
Better nix my summer plans  
Bummerland, give a cheer  
'Cause you're only going up from here[Verse 1]  
This month I got seven haircuts  
And now my hair is all gone  
It's sad but I've been alone for too long  
So I keep getting haircuts[Pre-Chorus]  
It's my all time low  
And I just can't wait  
'Cause the quicker I'm there  
Is the quicker I'll say

[Chorus]

Bummerland, here I am  
Better nix my summer plans  
Bummerland, give a cheer  
'Cause you're only going up from here  
Bummerland, here I am  
Better nix my summer plans  
Bummerland, sorry dear  
But you're only going up from here  
[Verse 2]

My friends always pay for my drinks  
I can't afford no nice things  
But I hope my bank account gets so low  
Even zero

So next year  
When I buy that first beer  
I'll be a goddamn hero

[Pre-Chorus]

It's my all time low  
And I just can't wait  
'Cause the quicker I'm there  
Is the quicker I'll say[Chorus]

Bummerland, here I am  
Better nix my summer plans  
Bummerland, sorry dear  
But you're only going up from here[Bridge]

Daa da-da da

Daa da-da da

Daa da-da da ('Cause you're only going up from here)

Daa da-da da...  
[Pre-Chorus]  
It's my all time low  
And I just can't wait  
'Cause the quicker I'm there  
Is the quicker I'll say[Chorus]  
Bummerland, here I am  
Better nix my summer plans  
Bummerland, give a cheer  
'Cause you're only going up from here  
Bummerland, here I am  
And there ain't no funner land  
Bummerland, it's kinda weird  
But you're only going up from here
