

In a Dream

Rockell

Sweetheart, I can't stop thinking about you You'll always be in my dreams

You'll always be in my dreams

You'll always be in my dreams Never in my dreams

I thought I'd be with you

You're often on my mind

I'll always love you

When I close my eyes

just to see your face

I wish this were real

but I'm just dreaming

I can't believe that

this is all in a dream

I'm gonna wait to be

with you my love

I'll always love you

and want you more

I can't go on

without your love

In a dream my love

You will find my heart

In a dream my love

You will find my heart

In a dream my love

You will find my heart

In a dream my love

You will find my heart OOOOO, what an angel

You have to be

You'd take me to heaven

Never leave never go away

Please stay with me tonight

I need you with me

Can't believe that

this is all in a dream

I'm gonna wait to be

with you my love

I'll always love you

And want you more

I can't go on

without your love

In a dream my love

You will find my heart

In a dream my love

You will find my heart
In a dream my love
You will find my heart
In a dream my love
You will find my heart
...You will find my heart
