## In a Dream

## **Rockell**

Sweetheart, I can't stop thinking about youYou'll always be in my dreams You'll always be in my dreams You'll always be in my dreamsNever in my dreams I thought I'd be with you You're often on my mind I'll always love you When I close my eyes just to see your face I wish this were real but I'm just dreaming I can't believe that this is all in a dream I'm gonna wait to be with you my love I'll always love you and want you more I can't go on without your love In a dream my love You will find my heart In a dream my love You will find my heart In a dream my love You will find my heart In a dream my love You will find my heartOOOOO, what an angel You have to be You'd take me to heaven Never leave never go away Please stay with me tonight I need you with me Can't believe that this is all in a dream I'm gonna wait to be with you my love I'll always love you And want you more I can't go on without your love In a dream my love You will find my heart In a dream my love

You will find my heart In a dream my love You will find my heart In a dream my love You will find my heart ...You will find my heart
