

Loud Places (feat. Romy)

Jamie xx

I go to loud places
To search for someone
To be quiet with
Who will take me home
You go to loud places
To find someone who
Will take you higher than...
I took you
Didn't I take you to...
Higher places you
Can't reach without me
I have never reached such highs
(Reach without me)
I feel music in your eyes
I have never reached such highs

...
I go to those places
Where we used to go
They seem so quiet now
I'm here all alone
You go to new places
With I don't know who
And I don't know how
To follow you
Higher, I take you higher
I'll take you higher
Didn't I take you higher?
I'll take you higher, I take you higher
I'll take you
Didn't I take you higher?
Didn't I take you to Higher places you
Can't reach without me
I feel music in your eyes
I have never reached such heights
(Reach without me)
I feel music in your eyes
I have never reached such heights
I feel music in your eyes
I have never reached such highs
Your on ecstasy
Without me
When you come down

I won't be around
