Doin' It Right (feat. Panda Bear)

Daft Punk

Doin' it right Everybody will be dancing And we'll be feeling it right Everybody will be dancingAnd we'll be feeling it right And be doin' it right Everybody will be dancing When we're feeling all rightEverybody will be dancing tonight If you do it right Let it go all night Shadows on your break Out into the light If you lose your way tonight That's how you know the magic's right If you lose your way tonight
