

A Sorta Fairytale

Tori Amos

On my way up north, up on the Ventura
I pulled back the hood and I was talking to you
And I knew then it would be a life long thing
But I didn't know that we, we could break a silver lining And I'm so sad
Like a good book I can't put this day back
A sorta fairytale with you
A sorta fairytale with you Things you said that day up on the one-oh-one
The girl had come undone, I tried to downplay it
With a bet about us, you said that you'd take it
As long as I could, I could not erase it
And I'm so sad
Like a good book I can't put this day back
A sorta fairytale with you
A sorta fairytale with you And I ride along side
And I rode along side you then
And I rode along side
Till you lost me there in the open road
And I rode along side
Till the honey spread itself so thin
For me to break your bread
For me to take your word
I had to steal it And I'm so sad
Like a good book I can't put this day back
A sorta fairytale with you
A sorta fairytale with you
I could pick back up whenever I feel
Down New Mexico way
Something about the open road
I knew that he was
Looking for some Indian blood
And find a little in you
Find a little in me
We may be on this road
But we're just impostors in this country you know
So we go along and we said we'd fake it
Feel better with Oliver Stone
Till I almost smacked him
Seemed right that night
I don't know what takes hold
Out there in the desert cold
These guys think they must
Try and just get over on us And I'm so sad

like a good book I can't put this day back
A sorta fairytale with you
A sorta fairytale with you And I was riding by
Riding along side
For a while till you lost me
And I was riding by
Riding along till you lost me
Till you lost me in the rear view
You lost me I said Way up north I took my day
All in all was a pretty nice day
And I put the hood right back where
You could taste heaven perfectly
Feel out the summer breeze
Didn't know when we'd be back
And I, I don't, didn't think
We'd end up like, like this
