

# Lips Like Sugar

## Seal

She floats like a swan  
Grace on the water  
Lips like sugar  
Lips like sugar  
Just when you think you've caught her  
She glides across the water  
She calls for you tonight  
To share this moonlight You'll flow her river  
She'll ask & you'll give her...  
Lips like sugar  
Sugar kisses  
Lips like sugar  
Sugar kisses  
She knows what you know  
I know what she's thinking  
Sugar kisses, sugar kisses  
Just when you think she's yours  
She's flown to other shores  
To laugh at how you break  
And melt into this lake You'll flow down her river  
But you'll never give her...  
Lips like sugar  
Sugar kisses  
Lips like sugar  
Sugar kisses  
She'll be my mirror  
Reflect what I am  
Loose women  
The king of Siam  
And my siamese twin  
Alone in the river  
Mirror kisses, mirror kisses... Lips like sugar  
Sugar kisses  
Lips like sugar  
Sugar kisses...
