

# Adult Swim (feat. Tyga, Jeremih & Velous)

## DJ SPINKING

{Hook-Velous}:

I can never pass up, and lay it down  
Long backstrokes in the middle of the ocean  
I'mma need that ass up, face down  
If I get in, then I just might drown  
Sl-Slippin' and Slidin'  
Slippin' and Slidin'  
I could swim in it all night and  
Slippin' and Slidin'  
I just slip in then I slide in  
I just slip in then I slide in (DJ Spinking babyy)
