

# Welcome to Paradise

## Green Day

Dear mother, can you hear me whinin'?  
It's been three whole weeks since that I have left your home  
This sudden fear has left me tremblin'  
'Cause now it seems that I am out here on my own and I'm feelin' so alone  
Pay attention to the cracked streets and the broken homes  
Some call it slums, some call it nice  
I want to take you through a wasteland, I like to call my home  
Welcome to Paradise  
A gunshot rings out at the station  
Another urchin snaps and left dead on his ground  
It makes me wonder why I'm still here  
For some strange reason, it's now feelin' like my home and I'm never gonna go  
Pay attention to the cracked streets and the broken homes  
Some call it slums, some call it nice  
I want to take you through a wasteland, I like to call my home  
Welcome to Paradise  
Dear mother, can you hear me laughin'?  
It's been six whole months since that I have left your home  
It makes me wonder why I'm still here  
For some strange reason it's now feelin' like my home and I'm never gonna go  
Pay attention to the cracked streets and the broken homes  
Some call it slums, some call it nice  
I want to take you through a wasteland, I like to call my home  
Welcome to Paradise, oh, Paradise
