

# Who I Am (feat. LunchMoney Lewis)

## Maroon 5

Hello, is this thing on?  
My man  
See this one goes out to all the lovers  
Lovers' lovers that is  
Who spend their nights and days under covers  
Girls, the sun could burn out  
But you'll still shine  
Oh yeah No, don't ask me if I love you  
'Cause I'm sure as the night is long  
And don't ask me if I need you  
'Cause I'm sure that the time will come Oh oh, hey, baby, this is who I am  
I shouldn't have to say it for you to understand  
'Cause you already got me in the palm of your hand  
Just wait a couple lifetimes and ask me again  
Ooh ooh ooh, ay  
Ooh ooh ooh, ay  
No, I do ooh ooh, ay  
Ooh ooh ooh, ay, yeah No don't ask me if I love you  
'Cause I'm sure as the day is gone  
And don't ask me if I stay true  
When you know you're the only one Oh, oh, hey, baby, this is who I am  
I shouldn't have to say it for you to understand  
'Cause you already got me in the palm of your hand  
Just wait a couple lifetimes and ask me again Ooh ooh ooh, ay  
Ooh ooh ooh, ay  
No, I do ooh ooh, ay  
Ooh ooh ooh, ay, yeah  
Ya  
Kiss you, kiss you, kiss you  
Hug ya, hug ya, hug ya  
Look into your eyes and I see the ocean  
I ain't got no wings, but you got me floating on a cloud  
Looking down, it's emotion  
Champagne flutes, everybody toasting  
Heart beat fast on this roller coaster  
Love you up and down, spin you 'round and 'round  
Can you hear me now? Oh, oh, hey, baby, this is who I am  
I shouldn't have to say it for you to understand  
'Cause you already got me in the palm of your hand  
Just wait a couple lifetimes and ask me again  
Oh, oh, hey, baby, this is who I am  
I shouldn't have to say it for you to understand

'Cause you already got me in the palm of your hand  
Just wait a couple lifetimes and ask me againOoh ooh ooh, ay  
Ooh ooh ooh, ay  
No, I do ooh ooh, ay  
Ooh ooh ooh
