Hearts Don't Break Around Here

Ed Sheeran

She is the sweetest thing that I know Should see the way she holds me when the lights go low Shakes my soul like a pothole every time Took my heart upon a one way trip Guess she went wandering off with it None like most women I know This one will bring it back whole Daisies, daisies perched upon your forehead Oh my baby, lately I knowThat every night I'll kiss you, you'll say in my ear Oh we're in love, aren't we? Hands in your hair Fingers and thumbs, baby I feel safe when you're holding me near Love the way that you conquer your fear You know hearts don't break around here Oh yeah, yeah, yeah Yeah-yeah, yeah-yeah She is the river flowin' nowhere And tin wind chimes used for doorbells Fields and trees and her smell fill my lungs Spend my summertime beside her And the rest of the year the same She is the flint that sparks the lighter And the fuel that will hold the flame, oh Roses, roses laid upon your bed spread, oh my All this, all this I knowBut every night I'll kiss you, you'll say in my ear Oh we're in love, aren't we? Hands in your hair Fingers and thumbs, baby I feel safe when you're holding me near Love the way that you conquer your fear You know hearts don't break around here Oh yeah, yeah, yeah Yeah-yeah, yeah-yeah Well. I've found love inside The arms of the woman I know She is the lighthouse in the night That will safely guide me home And I'm not scared of passing over Or the thought growing old 'Cause from now until I goEvery night I kiss you, you'll say in my ear Oh we're in love, aren't we?

Hands in your hair Fingers and thumbs, baby I feel safe when you're holding me near Love the way that you conquer your fear You know hearts don't break around here Oh yeah, yeah Every night I kiss you, you'll say in my ear Oh we're in love, aren't we? Hands in your hair Fingers and thumbs, baby I feel safe when you're holding me near Love the way that you conquer your fear You know hearts don't break around here Yeah, yeah, yeah You know hearts don't break around here Oh yeah, yeah, yeah
