## On the Road Again

## Willie Nelson, The Avett Brothers, Bobby Bare, Chris Stapleton, Dave Matthews, Emmylou Harris, Eric

On the road again

Just can't wait to get on the road again

The life I love is making music with my friendsAnd I can't wait to get on the road again

On the road againGoin' places that I've never been

Seein' things that I may never see againAnd I can't wait to get on the road again On the road again

Like a band of gypsies we go down the highway

We're the best of friends

Insisting that the world keep turning our way

And our way

Is on the road again

Just can't wait to get on the road again

The life I love is makin' music with my friendsAnd I can't wait to get on the road againOn the road again

Like a band of gypsies we go down the highway

We're the best of friends

Insisting that the world keep turning our way

And our way

Is on the road again

Just can't wait to get on the road again

The life I love is makin' music with my friendsAnd I can't wait to get on the road again And I can't wait to get on the road again
