

'Til a Tear Becomes a Rose

Lorrie Morgan & Keith Whitley

Darlin' I can see the clouds around you
And in your heart I know a sorrow grows
But if you weep I'll be right here to hold you
Til each tear you cry becomes a rose
Dearest love I know your heart shattered
And all my words can offer no relief
But my love will heal the pain you've suffered
And I'll be here if you should turn to me
Darlin' I can see the clouds around you
And in your heart I know a sorrow grows
But if you weep I'll be right here to hold you
Til each tear you cry becomes a rose
And deepest nights when memories tend together
Lay with me and put your fears to sleep
Cause there's no pain no dream can put us under
All the wall that binds you and me
Darlin' I can see the clouds around you
And in your heart I know a sorrow grows
But if you weep I'll be right here to hold you
Til each tear you cry becomes a rose
Til each tear you cry becomes a rose
