

# Covered In Rain

[John Mayer](#)

These days, with the world getting colder,  
She spends more time sleeping over  
Than I'd planned. Tonight we're gonna order in,  
Drinking wine and watchin CNN.  
It's dark I know, but then again  
It's the brightest thing I got When I'm covered in rain  
Now, I'm covered in rain, rain, rain, rain  
From fireworks to fireplaces  
Summer stole what fall replaces  
And now we're people watching  
All the people, people watching us right back  
Standing by the missing signs  
At the CVS, by the checkout line  
She puts her quiet hands in mine,  
Cause she's the brightest thing I've got When I'm covered in rain  
Cause I'm covered in rain, rain, rain, rain  
Cause I'm covered in rain  
No I'm covered in rain And come December, Lydia left.  
She mentioned something 'bout it being for the best,  
And I can't say I disagree, and it's killing me.  
And now I'm standing facing west  
Tracing my fingers round a silhouette  
I haven't gotten used to yet,  
But it's the brightest thing I've got  
When I'm covered in rain  
Now, I'm covered in rain, rain  
No, I'm covered in rain, rain, rain, rain  
I'm covered in, covered in, covered in rain
