

# Wrist (feat. Solo Lucci)

Chris Brown

Wrist, trill, wrist, trill  
Wrist, trill, wrist, drippin' and drippin'  
Wrist skrr, skrr tip, four tip, wrist  
Trippin', trippin', trippin', trippin', trippin', trippin', trippin', trippin' My wrist 'bout 30 below,  
why would I be worried 'bout hoes?  
And if you ain't ever leaning, swerving in traffic, you ain't feel that dirty before  
Kept me tipping on four, diamond trippin', prolly sippin' on four  
Ferragamo slippers dipped 'em in gold with so many women, think I'm pimpin' on hoe Cause  
my wrist still drippin', popo still tip  
In the cut with my hittas, no they do not miss  
I'm a champagne pourin' nigga, I love big asses and tits (Show me them tities)  
And if you're here just to witness, I just just promise this  
Hold my wrist, tip, four, tip  
Wrist, drip, popos tip  
On my wrist, tip, four tip  
Wrist drip, popos tip No he not ballin' like us, who the fuck he think he is? (U like the for nigga)  
You gotta come to my city, you gotta see how we live (Pull up with the drug dealers)  
You should just come on the bed, I should just fuck you right now  
Or just forget what I said, I just be thinkin' out loud  
Thinking out loud, thinking out loud  
Can I hit in the mirror? (Yeah) I wanna see your body clearer  
Let's think out loud (Think out loud)  
Girl my wrist doin' 85 in a 35, 35, 35 Wrist, tip, four, tip  
Wrist, drip, popos tip  
On my wrist, tip, four tip  
Wrist drip, popos tip  
My wrist 30 below, it cost about 40  
Got 50 on me, my neck is retarded  
But nigga I don't get it, my bitch is a baller  
But she from the streets so don't get us started  
Handcuffs like I got arrested homie  
Ferragamo's on me got me flexin' on 'em  
Mud, mud, got all these taxes on me  
Diamonds shining that's for VVS' only  
Leanin' off activis, tippin' on four, thinkin' 'bout when you just sleep on it like mattresses  
But that's how it go, I'm gettin' that dough ain't about to count up like it's calculus  
I got my name out that trappin' shit but I got the fame out this rappin' and shit  
Now my watch and my chain is immaculate  
Wrist, tip, four, tip  
Wrist, drip, popos tip  
On my wrist, tip, four tip  
Wrist drip, popos tip

On my wrist, tip, four tip  
Wrist drip, popos tip
