

# Daniel

[Sam Smith](#)

Daniel is traveling tonight on a plane  
I can see the red tail lights heading for Spain  
Oh and I can see Daniel waving goodbye  
God it looks like Daniel  
Must be the clouds in my eyes They say Spain is pretty though I've never been  
Well Daniel says it's the best place that he's ever seen, oh  
He should know, he's been there enough  
Lord I miss Daniel  
Oh I miss him so much, oh  
Daniel my brother, you are older than me  
Do you still feel the pain of the scars that won't heal?  
Your eyes have died but you see more than I  
Daniel you're a star in the face of the sky Oh Daniel my brother, you are older than me  
Do you still feel the pain of the scars that won't heal?  
Your eyes have died but you see more than I  
Daniel you're a star in the face of the sky  
Daniel is traveling tonight on a plane  
I can see the red tail lights heading for Spain  
And I can see Daniel waving goodbye  
God it looks like Daniel  
Must be the clouds in my eye  
God it looks like Daniel  
Must be the clouds in my eye
