Say it for me once if you know what I mean
I said my mans what a mans supposed to be He opens his arms and holds on to me
He tells me he loves me and oh, I feel it
And all that I am and all that Ill be
Is there in his eyes when I hear him sayin please
Who loves you baby? I do, I do trust you
See, see this aint just 'bout having sex

Youre my choosey lover Never loving others, only rubbing me
Satisfy Big to the utmost mentally and physically
(Ly) Every king must crown a queen
To make his kingdom mean anything
Through thick and slim we gon win
We a team by any means yall
I got a man and hes so good to me
I give love and he gives it back to me
Say it for me once if you know what I mean
I said my mans what a mans supposed to be I got a man and hes so good to me
I give love and and he gives it back to me
Say it for me once if you know what I mean
I said my mans what a mans supposed to be I got a man and hes so good to me
I give love and he gives it back to me
Say it for me once if you know what I mean
I said my mans what a mans supposed to be I got a man and hes so good to me
I give love and and he gives it back to me
Say it for me once if you know what I mean
I said my mans what a mans supposed to be The touch of his hand, the sound of his voice
The way that he loves me til he knows I feel it
And all through the night, forever rejoice
The angel above me starts to sweetly sing to me Who loves you baby? I do, I do adore you
Im the best man for the job

Another man couldnt do nothing for you
'Cause youre spicy just like meWe come together like thunder and lightning
With all of that scratching and biting
So exciting, its frighteningIm your do-right man and youre my do right
Not my just for tonight woman
Making me feel just like a baker
Quick to put something in your ovenNot no dumplins or no stuffin
But our own lil flesh and blood
N' a bouncin lil, baby something
Pretty girl or handsome son childI got a man and hes so good to me
I give love and he gives it back to me
Say it for me once if you know what I mean
I said my mans what a mans supposed to beI got a man and hes so good to me
I give love and and he gives it back to me
Say it for me once if you know what I mean
I said my mans what a mans supposed to beI got a man and hes so good to me
I give love and he gives it back to me
Say it for me once if you know what I mean
I said my mans what a mans supposed to beI got a man and hes so good to me
I give love and and he gives it back to me
Say it for me once if you know what I mean
I said my mans what a mans supposed to beMy mans what a mans supposed to be
I got a man
