

# tonight you belong to me (sing-a-long)

Christina Perri

[Christina Perri & Paul Costabile]  
I know you belong to somebody new  
But tonight you belong to me  
Although we're apart, you're a part of my heart  
But tonight you belong to me [Christina Perri, Paul Costabile, Both]  
Way down by the stream (Way down by the stream)  
How sweet it will seem (How sweet it will seem)  
Once more just to dream in the moonlight  
[Christina Perri & Paul Costabile, Christina Perri]  
My honey, I know  
With the dawn that you will be gone  
But tonight, you belong to me  
But tonight, you belong to me  
Just to little old me
