

You Give Good Love

Whitney Houston

I found out what I've been missin'
Always on the run
I've been lookin' for someone Now you're here like you've been before
And you know just what I need
It took some time for me to see That you give good love to me, Baby
So good, take this of heart mine into your hands
You give good love to me
(You give good love to me)
Never too much
(Never too much, will never be)
Baby you give good love
Never stoppin' I was always searchin'
For that perfect love
The kind that girls like me dream of Now you're here like you've been before
And you know just what I need
It took some time for me to see You give good love to me, Baby
So good, take this of heart mine into your hands
You give good love to me
(You give good love to me)
Its never too much
(Never too much, will never be)
Baby, you give good love
Uuh Now I, I can't stop looking around
It's not, what this loves all about
Our love is here to stay, to stay
Baby, you give good love
(You give good love to me)
You give
(Never too much, will never be)
So good, take this of heart mine into your hands You give good love to me
(You give good love to me)
Never, never too much
(Never too much, will never be) No no no no no
You give good love to me
(You give good love to me)
So good, so good
(You give good love, baby)
Wuh, huh
(You give good love, darling)
You give
(You give, you give, give it)
You give

(You give good love, honey)Wuh, huh
(You give good love, baby)
Wuh, huh
(You give good love, darling)
Wuh, huh
(You give, you give, give it)
Baby you give
(You give good love, darling)Aah, haa
(You give good love, baby)
You give, good love, good love, good love
(You give good love, darling)
Yea, you know whenever I need it
(You give, you give, give it)
You gave good love, baby
Never too much, will never be
(You give good love, honey)
You give
(You give good love, baby)
You give
(You give good love, darling)
You give
(You give, you give, give it)
