

Carlotta Valdez

Harvey Danger

Jimmy Stewart follows Kim to where your portrait hangs on a wall,
Your such a haunting vision he forgets his partner's fall. You jump into the San Francisco bay,
I'll follow you in,
I know you can't swim,
When you've been dead 100 years, Carlotta. Carlotta Valdez, Carlotta Valdez,
Carlotta Valdez, I will make you her. Every thing's subjective, nothing lasts for Johnny O,
Could kiss Kim Novak where the redwoods grow,
I'll bleach her hair and pretend she didn't die,
Go up the mission stair,
I'll follow anywhere, that is, until you climb too high,
'Cause I get, vertigo, vertigo, vertigo.
Carlotta Valdez, Carlotta Valdez,
Carlotta Valdez, I will make you her.
What a thing to be the centre, of attention all the time,
He isn't really falling for this, is he?
He's getting dizzy,
And so am I. Carlotta Valdez, Carlotta Valdez, Carlotta Valdez, I got you,
Carlotta Valdez, Carlotta Valdez, Carlotta Valdez, I will make you her.
