

# Love the Way You Lie

Rihanna

Just gonna stand there and watch me burn  
But that's alright, because I like the way it hurts  
Just gonna stand there and hear me cry  
But that's alright, because I love the way you lie  
I love the way you lie I can't tell you what it really is  
I can only tell you what it feels like  
And right now there's a steel knife, in my windpipe  
I can't breathe, but I still fight, while I can fight  
As long as the wrong feels right, it's like I'm in flight  
High off of love drunk from my hate  
It's like I'm huffing paint and I love it the more that I suffer  
I suffocate and right before I'm about to drown  
She resuscitates me, she fucking hates me,  
And I love it, wait  
Where you going, I'm leaving you  
No you ain't, come back  
We're running right back, here we go again  
It's so insane 'cause when it's going good, it's going great  
I'm Superman, with the wind at his back, she's Lois Lane  
But when it's bad, it's awful  
I feel so ashamed, I snapped, who's that dude  
I don't even know his name, I laid hands on her  
I'll never stoop so low again, I guess I don't know my own strength  
Just gonna stand there and watch me burn  
But that's alright, because I like the way it hurts  
Just gonna stand there and hear me cry  
But that's alright, because I love the way you lie  
I love the way you lie  
I love the way you lie You ever love somebody so much  
You can barely breathe, when you're with them, you meet  
And neither one of you, even know what hit 'em,  
Got that warm fuzzy feeling, yeah them chills, used to get 'em  
Now you're getting fucking sick, of looking at 'em  
You swore you've never hit 'em, never do nothing to hurt 'em,  
Now you're in each others face,  
Spewing venom, and these words, when you spit 'em  
You push, pull each other's hair, scratch, claw, bit 'em,  
Throw 'em down, pin 'em, so lost in the moments, when you're in 'em  
It's the rage that's the culprit, it controls you both  
So they say it's best, to go your separate ways,  
Guess that they don't know ya 'cause today, that was yesterday  
Yesterday is over, it's a different day

Sound like broken records, playin' over, but you promised her  
Next time you'll show restraint  
You don't get another chance,  
Life is no Nintendo game, but you lied again  
Now you get to watch her leave,  
Out the window, guess that's why they call it window pane  
Just gonna stand there and watch me burn  
But that's alright, because I like the way it hurts  
Just gonna stand there and hear me cry  
But that's alright, because I love the way you lie  
I love the way you lie  
I love the way you lie Now I know we said things, did things  
That we didn't mean and we fall back into the same patterns  
Same routine, but your temper's just as bad, as mine is  
You're the same as me, but when it comes to love, you're just as blinded  
Baby please come back, it wasn't you,  
Baby it was me, maybe our relationship isn't as crazy as it seems  
Maybe that's what happens When a tornado meets a volcano  
All I know is I love you too much, to walk away now  
Come inside, pick up your bags off the sidewalk  
Don't you hear sincerity, in my voice when I talk,  
Told you this is my fault, look me in the eyeball  
Next time I'm pissed, I'll aim my fist at the dry wall  
Next time, there will be no next time  
I apologize even though I know it's lies  
I'm tired of the games, I just want her back, I know I'm a liar  
If she ever tries to fucking leave again  
I'm a tie her to the bed and set this house on fire Just gonna stand there and watch me burn  
But that's alright, because I like the way it hurts  
Just gonna stand there and hear me cry  
But that's alright, because I love the way you lie  
I love the way you lie  
I love the way you lie
