

# Come Back to Me

David Cook

You say you got to go and find yourself  
You say that you're becoming someone else  
Don't recognize the face in the mirror looking back at you  
You say you're leaving as you look away

I know there's really nothing left to say  
Just know I'm here whenever you need me, I'll wait for you  
So I'll let you go, I'll set you free  
And when you see what you need to see  
When you find you  
Come back to me...

Take your time I won't go anywhere  
Picture you with the wind in your hair  
I'll keep your things right where you left them, I'll be here for you  
And I'll let you go, I'll set you free  
And when you see what you need to see  
When you find you  
Come back to me  
And I hope you find everything that you need  
I'll be right here waiting to see  
When you find you  
Come back to me  
And I can't get close if you're not there  
I can't get inside if there's no soul to bare  
I can't fix you, I can't save you  
It's something you'll have to do  
So I'll let you go, I'll set you free  
And when you see what you need to see  
When you find you  
Come back to me

...

(Come back to me)

So I'll let you go, I'll set you free  
And when you see what you need to see  
When you find you  
Come back to me

...

And I hope you find everything that you need  
I'll be right here waiting to see  
When you find you  
Come back to me

...

When you find you  
Come back to me

...

When you find you  
Come back to me

...

When you find you  
Come back to me  
...
