## **Canyon Moon**

## **Harry Styles**

You gotta see it to believe it Sky never looked so blue So hard to leave it That's what I always do So I keep thinking back to A time under the canyon moonThe world's happy waiting Doors yellow, broken, blue I heard Jenny saying "Go get the kids from school" And I keep thinking back to A time under the canyon moonI'll be gone too long from you Staring at the ceiling Two weeks and I'll be home Carry the feeling Through Paris, all through Rome And I'm still thinking back to A time under the canyon moonI'm going, oh I'm going I'm going, oh I'm going I'm going, oh I'm going homeI'm going, oh I'm going I'm going, oh I'm going I'm going, oh I'm going homeQuick pause in conversation She plays songs I've never heard An old lover's hippie music Pretends not to know the words And I keep thinking back to A time under the canyon moon I'll be gone too long from youI'm going, oh I'm going I'm going, oh I'm going I'm going, oh I'm going homeI'm going, oh I'm going I'm going, oh I'm going I'm going, oh I'm going homeI'm going, oh I'm going I'm going, oh I'm going
