

Trouble Man

Marvin Gaye

Oh-oh-oh come up hard baby but not cool
I didn't make it sugar playin' by the rules
I come up hard babe but now I'm fine
I'm checkin' trouble sugar movin' down the line
I come up awful hard but that's ok 'cause trouble man don't get in my way
I come up hard baby I mean for real baby Gonna keep movin' gonna go to town I come up hard
but now I'm gettin' down
There's only 3 things that's for sure taxes death and trouble, oh
This I know baby
This I know sugar
Yeah I ain't never let it sweat you baby
Got me singin' yeah-yeah...
Hoo... Come up hard baby I had to fight Took care of my business with all my might I come up
hard I had to win then start all over and win again
I come up hard... but that's ok 'cause trouble man don't get in my way
Hey-hey
I know some places and I seen some faces
I got good connections I dig my directions what people say that's ok they don't bother me
I'm ready to make it don't care what the weather don't care 'bout no trouble got myself together I
feel the kind of protection that's all around me
I come up hard baby
I mean for real baby with the trouble man
I'm movin' goin' tight
I come up hard come on get down
There's only 3 things for sure taxes death and trouble
Oh... this I know baby
This I know baby
Hey ain't gonna let it sweat you baby
Woo
Hold on baby
Woo... I've come up hard but now I'm cool
I didn't make it baby playin' by the rules
Come up hard baby now I'm fine
Checkin' trouble sure
Hey movin' down the line...
