

Inside Out (feat. Charlee)

The Chainsmokers

Bend your chest open
So I can reach your heart
I need to get inside or I'll start a war
Wanna look at the pieces that make you who you are
I wanna build you up then pick you apart
Let me see the dark sides as well as the bright
I'm gonna love you inside out
I'm gonna love you inside out
Let me see the dark sides as well as the bright
I'm gonna love you inside out
I'm gonna love you inside out
I'm gonna love you
I'm gonna love you
I'm gonna love you
Can I pick your brain and get to know your thoughts
So I can read your mind when you don't wanna talk
And can I touch your face before you go
I'll collect your scales but you don't have to know
Let me see the dark sides as well as the bright
I'm gonna love you inside out
I'm gonna love you inside out
Let me see the dark sides as well as the bright
I'm gonna love you inside out
I'm gonna love you inside out
I'm gonna love you
I'm gonna love you
I'm gonna love you
I'm gonna love you inside out
I'm gonna love you inside out
I'm gonna love you inside out
I'm gonna love you inside out
Inside out
I'm gonna love you inside out
I'm gonna love, I'm gonna love you inside out
I'm gonna love you
I'm gonna love you
