

# Life Is Good (feat. Drake)

## Future

Workin' on the weekend like usual  
Way off in the deep end like usual  
Niggas swear they passed us, they doin' too much  
Haven't done my taxes, I'm too turnt up  
Virgil got that Patek on my wrist goin' nuts  
Niggas caught me slippin' once, okay, so what?  
Someone hit your block up, I'd tell you if it was us  
Manor house in Rosewood, this shit too plush  
Say my days are numbered, but I keep wakin' up  
Know you see my texts, baby, please say some  
Wine by the glass, your man a cheapskate, huh  
Niggas gotta move off my release day, huh  
Bitch, this is fame, not clout  
I don't even know what that's about, watch your mouth  
Baby got a ego twice the size of the crib  
I can never tell her shit, it is what it is  
Said what I had to and did what I did (Ayy)  
Never turn my back on FBG, God forbid  
Virgil got the Patek on my wrist doin' front flips  
Givin' you my number, but don't hit me on no dumb shit  
Workin' on the weekend like usual  
Way off in the deep end like usual (Like usual)
