

Shattered

Backstreet Boys

Aaahh

Aaaahh

Aaahh ah So empty can't feel no more,

As I'm left with my tears on the floor

I wait for my heart to mend,

But you keep tearing a hole Inside I'm so lost

In the middle of my heart,

It's a battlefield of love,

I've been fighting far too long

And now I'm shattered,

From you chipping my heart,

Kept taking it till it broke

Oh how it hurts

But it slip from your hand,

Hit the ground and now it's shattered

I'm so shattered

(Can't believe, it was me, I'm so shattered)

So shattered

(Can't believe, you and me, aahh)

So shattered

(Can't believe, you left me, I'm so shattered)

I'm shattered cut from with-inside, oh What am I still here for

Could it be that I'm just waiting,

Hoping you'd rescue me

And put the pieces together again

Inside I'm so lost

In the middle of my heart,

It's a battlefield of love,

I've been fighting far too long And now I'm shattered (Ooh)

From you chipping my heart,

Kept taking it till it broke

Oh how it hurts

But it slip from your hand,

Hit the ground and now it's shattered

I'm so shattered

(Can't believe, it was me, I'm so shattered)

So shattered

(Can't believe, you and me, aahh)

So shattered

(Can't believe, you left me, I'm so shattered)

I'm shattered cut from with-inside, oh Tell me what you're really here for,

If you never really loved me

I gave my all but it still wasn't enough 'Cause all you had to say was that you ain't,
Looking for commitment
Instead of telling me what I wanted to hear, oh oh You took my emotions,
And scattered them on the ground
So hard to just pick up,
And move on with life, again And now I'm shattered
From you chipping my heart,
Kept taking it till it broke
Oh how it hurts
But it slip from your hand,
Hit the ground and now it's shattered
I'm so shattered
(Can't believe, it was me, I'm so shattered)
So shattered
(Can't believe, you and me, aahh)
So shattered
(Can't believe, you left me, I'm so shattered)
I'm shattered cut from with-inside, oh
So shattered
Oh yes,
I can't believe, you left me, so shattered
