

# Meet My Mom

## New Boyz

I always wanted to do this  
1, 2, 3, 4  
I might just let you meet my mom Last week, my mom said I had too many girlfriends  
Comin' in her house  
She told me if I show her one more of my girlfriends  
She's kicking her out But this girl  
I got good feelings about  
Not only is she a hottie, but she's somebody  
That's why this girl got me, got me like I might just let you meet my mom  
I promised that I wouldn't bring in  
No more video models or singers  
You got me like  
Ooh  
Come on  
Ooh I might just let you meet my mom  
You're no model, no liar, no cheater  
That's why I'm taking you to go meet her You got me like  
Ooh  
Come on  
Ooh  
I might just let you meet my mom I got a girl, her name is Perfect  
I lost the others but I think she's worth it  
I did so many foul things in the past, now I'm settling down  
Man, I'm so happy, I finally found someone my style  
Now that I think about it, you exactly like me  
Tell them haters, bite me, I'ma make you wifey  
You my girl, I probably might even let you go inside  
You got me like, got me like I might just let you meet my mom  
I promised that I wouldn't bring in  
No more video models or singers You got me like  
Ooh  
Come on  
Ooh I might just let you meet my mom  
You're no model, no liar, no cheater  
That's why I'm taking you to go meet her You got me like  
Ooh  
Come on  
Ooh  
I might just let you meet my mom My mom actually likes you  
I don't think you know how big that is  
It seemed like every girl that came around  
She just kept kicking 'em, kicking 'em out

And it's like you the last one left Aye girl, you bad, wassup?  
I might just let you meet my mom  
Bet you wanna meet my mom  
I might just let you meet my mom I might just let you meet my mom  
I promised that I wouldn't bring in  
No more video models or singers You got me like  
Ooh  
Come on  
Ooh I might just let you meet my mom  
You're no model, no liar, no cheater  
That's why I'm taking you to go meet her You got me like  
Ooh  
Come on  
Ooh  
I might just let you meet my mom Hey mom, wassup?  
I got somebody I want you to meet  
Don't be shy, girl, come in  
This, this is my girlfriend You're no model, no liar, no cheater  
That's why I'm taking you to go meet her You got me like  
Ooh  
Come on  
Ooh I might just let you meet my mom
