

Facts (feat. YG, Rich The Kid & BIA)

Chantel Jeffries

[Intro: BIA]

Huh, huh

Huh[Chorus: BIA]

That's facts

Big blue bills in the bank, let's chat (Let's chat)

I just hit a mill' like a baseball bat

I just bought a hundred thousand off the Glad wrap

I'm a big deal like my name all caps

That's facts (That's facts), that's facts (That's facts), that's facts (That's facts)

Gulfstream, where the seats lay flat (Lay flat)

All my checks got my name on the back (That's facts)

That's facts

[Verse 1: YG]

I'm a million dollar nigga, money chit-chat (Money chit-chat)

Hoochies in the tub, Gucci rug where I live at (In the tub)

Make her tell me who she love when I'm hitting that (Who you love?)

All bosses at the table where I'm sitting at (All my thugs)

Cool-cool-cool black and the tint black (Cool)

Right now I got two beefs, Big Macs (I do)

Bad bitch, ponytail, hair slicked back

Break her off a piece of that Kit-Kat

Jacket, these Off-White pockets fat

That Louis briefcase hold them racks

Goddamn, YG, boy, you gettin' fat

Bitch, chill, I been right there where the money at

Beep beep, who got the keys to that Rolls Royce truck?

Bust it open, I'll pick you up

Big facts, I'm styling with no stylist

Drive the Maybach with no chauffeur

In all black like G-Hova but I'm lit as fuck (Skrtrt)

[Chorus: BIA]

That's facts

Big blue bills in the bank, let's chat (Let's chat)

I just hit a mill' like a baseball bat

I just bought a hundred thousand off the Glad wrap

I'm a big deal and my name all caps

That's facts (That's facts), that's facts (That's facts), that's facts (That's facts)

Gulfstream, where the seats lay flat (Lay flat)

All my checks got my name on the back (That's facts)

That's facts[Verse 2: BIA]

What's up, what's up, what's up? Where the bag at?

I like niggas who don't ask me where the tabs at

Slim thick, when I'm naked though, that ass fat
 I like drug dealers, baby, that's a trap fact (Ayy)
 B is for Balenciaga, bust down, big facts, big racks
 If he got a big dick, you won't get your bitch back
 I like Rolex, Cartier, where my wrist at?
 It's a fact fact, bitch, don't ask me where I live at
 Frio, too cold, bitch, I'm nitro
 I delete my old dude, that's a typo
 I like fat checks, fat pockets need lypo
 BBW big, fuckin' with the lights on [Chorus: BIA & Rich the Kid]
 That's facts
 Big blue bills in the bank, let's chat (Let's chat)
 I just hit a mill' like a baseball bat
 I just bought a hundred thousand off the Glad wrap
 I'm a big deal and my name all caps
 That's facts (That's facts), that's facts (That's facts), that's facts (That's facts, woo)
 Gulfstream, where the seats lay flat (Lay flat, woo)
 All my checks got my name on the back (That's facts, you dig?)
 That's facts [Verse 3: Rich the Kid]
 Bentley truck, paint it matte black (Skrrt, skrrt, skrrt)
 Rich Forever, get the cheddar, that's a fact fact (What?)
 Pull up, where the cash at? (Where the cash at? Ayy)
 I just blocked your bitch like where your ass at?
 Richard Mille, you can't match that (Match that)
 Drip test, you can't pass that (Drip)
 Had the Masi' but I crashed that (Skrrt)
 And I showed the bitch a milli', had an asthma attack (Asthma attack)
 Must be think I'm playing tennis, I got too many racks
 Big facts, nigga (Facts)
 CEO on my chain, ice attack, nigga (Ice, ice)
 Fuck your bitch one time, give her back, nigga
 And I smash like I hit it with a bat (With a bat)
 Put my whole team on, it's a fact (It's a fact)
 Audemar skelly, that's a hundo (Hundo)
 Why she fucking on the floor in her condo? (In her condo)
 Made a milli', I ain't trapping no more (Trap, trap)
 But I might pick up the phone for the plug, though (Plug) [Chorus: BIA]
 That's facts
 Big blue bills in the bank, let's chat (Let's chat)
 I just hit a mill' like a baseball bat
 I just bought a hundred thousand off the Glad wrap
 I'm a big deal and my name all caps
 That's facts (That's facts), that's facts (That's facts), that's facts (That's facts)
 Gulfstream, where the seats lay flat (Lay flat)
 All my checks got my name on the back (That's facts)
 That's facts
