## Shine

## **Collective Soul**

Give me a word

Give me a sign

Show me where to look

Tell me what will I find

What will I find?

Lay me on the ground

Fly me in the sky

Show me where to lookTell me what will I find

What will I find?

Yea, yea, yea

Oh, Heaven let your light shine downOh, Heaven let your light shine down

Oh, Heaven let your light shine down

Oh, Heaven let your light shine down

Love is in the water

Love is in the air

Show me where to look

Tell me will love be there

Love be there Teach me how to speak

Teach me how to share

Teach me where to go

Tell me will love be there

Love be there

Yea, yea, yea

Oh, Heaven let your light shine down

Oh, Heaven let your light shine downOh, Heaven let your light shine downOh, Heaven let your light shine down

Give me a word

Give me a sign

Show me where to look

Tell me what will I find

What will I find?

Lay me on the groundFly me in the sky

Show me where to look

Tell me what will I find

What will I find?

Yea, yea, yea

Oh, Heaven let your light shine down

I'm gonna let it shine

I'm gonna let it shine

## Heaven's little light gonna shine on me Hey, hey, Heaven's little light gonna shine on me Shine, shine on me Shine, come on and shine
