

# Better Man

## Little Big Town

I know I'm probably better off on my own  
Than loving a man who didn't know what he had when he had it  
And I see the permanent damage you did to me  
Never again, I just wish I could forget when it was magic. I wish it wasn't 4 AM standing in the  
mirror  
Saying to myself, you know you had to do it  
I know the bravest thing I ever did was run Sometimes in the middle of the night I can feel you  
again  
But I just miss you and I just wish you were a better man  
And I know why we had to say goodbye like the back of my hand  
And I just miss you and I just wish you were a better man  
A Better Man I know I'm probably better off all alone  
Than needing a man who could change his mind at any given minute  
And it's always on your terms, I'm hanging on every careless word  
Hoping it might turn sweet again like it was in the beginning  
But your jealousy, I can hear it now  
You're talking down to me like I'll always be around  
You push my love away like it's some kind of loaded gun  
Boy, you never thought I'd run Sometimes in the middle of the night I can feel you again  
And I just miss you and I just wish you were a better man  
And I know why we had to say goodbye like the back of my hand  
I just miss you and I just wish you were a better man  
A Better Man I hold onto this pride because these days it's all I have  
And I gave you my best and we both know you can't say that  
You can't say that  
I wish you were a better man  
I wonder what we would've become  
If you were a better man  
We might still be in love  
If you were a better man  
You would've been the one  
If you were a better man  
Yeah  
Sometimes in the middle of the night I can feel you again  
And I just miss you and I just wish you were a better man  
And I know why we had to say goodbye like the back of my hand  
And I just miss you and I just wish you were a better man We might still be in love if you were  
a better man  
A Better Man
