

# Who I Am With You

[Chris Young](#)

I've been rollin stones, all my life  
Flyin all alone, flyin blind  
I've seen it all, I've been around  
I've been lost and I've been found But who I am with you is who I really wanna be  
You're so good for me  
And when I'm holding you  
It feels like I got the world in my hands  
Yeahh a better man it's who I am with you  
I've got a ways to go, on this ride  
But I got a hand to hold, it fits just right  
You've made me laugh, you made me high  
You've made me wanna hold on tight But who I am with you is who I really wanna be  
You're so good for me  
And when I'm holding you  
It feels like I got the world in my hands  
Yeahh a better man it's who I am with you  
Who I am with you  
Because of you I'm a lucky man  
And you're the best part of who I am  
Who I am with you is who I really wanna be  
You're so good, so good for me baby  
And when I'm holding you  
It feels like I got the world in my hands  
Yeahh a better man it's who I am with you  
Yeah its who I am with you
