

# I Did Something Bad

Taylor Swift

[Verse 1]

I never trust a narcissist  
But they love me  
So I play 'em like a violin  
And I make it look oh so easy  
'Cause for every lie I tell them  
They tell me three  
This is how the world works  
Now all he thinks about is me[Pre-Chorus]  
I can feel the flames on my skin  
Crimson red paint on my lips  
If a man talks shit, then I owe him nothing  
I don't regret it one bit, 'cause he had it coming

[Chorus]

They say I did something bad, ah  
Then why's it feel so good?  
They say I did something bad, ah  
But why's it feel so good?  
Most fun I ever had, ah  
And I'd do it over and over and over again if I could  
It just felt so good, good[Verse 2]

I never trust a playboy  
But they love me  
So I fly 'em all around the world  
And I let them think they saved me  
They never see it comin'  
What I do next  
This is how the world works  
You gotta leave before you get left  
[Pre-Chorus]

I can feel the flames on my skin  
He says, "Don't throw away a good thing"  
But if he drops my name, then I owe him nothin'  
And if he spends my change, then he had it comin'[Chorus]  
They say I did something bad, ah  
Then why's it feel so good?  
They say I did something bad, ah  
But why's it feel so good?  
Most fun I ever had, ah  
And I'd do it over and over and over again if I could  
It just felt so good, good  
It just felt so good[Bridge]

They're burning all the witches, even if you aren't one  
They got their pitchforks and proof  
Their receipts and reasons  
They're burning all the witches, even if you aren't one  
So light me up (light me up), light me up (light me up)  
Light me up, go ahead and light me up (light me up)  
Light me up (light me up), light me up (light me up)  
Light me up (light me up), light me up [Chorus]  
They say I did something bad, ah (Oh)  
Then why's it feel so good? (So good)  
They say I did something bad, ah  
But why's it feel so good? (Good)  
Most fun I ever had (Most fun I ever had)  
And I'd do it over and over and over again if I could  
It just felt so good, good [Outro]  
Oh, you say I did something bad  
(You say I did something bad)  
Then why's it feel so good, good?  
So bad, why's it feel so good?  
Why's it feel, why's it feel so good? (Bad)  
It just felt so good, good
