

Out of Love

Alessia Cara

I won't tell you I'm lonely
'Cause it might be selfish
I won't ask you to hold me
Cause that won't help what's helpless There's not a thing I could say
Not a song I could sing
For your mind to change
Nothing can fill up the space
Won't ask you to stay
But let me ask you one thing When did you fall out of love?
Out of love?
Oh, when did you fall out of love with me?
I could float in an ocean
That's already been drained
I won't cry at your feet now
I know my tears will fall in vein There's not a thing I could say
Not a song I could sing
For your mind to change
Nothing can fill up the space
Won't ask you to stay
But let me ask you one thing Oh, When did you fall out of love?
Out of love?
Oh, when did you fall out of love with me? No use
Wondering
Why your change in heart has wondered
So I ask you this question
Cause in my head makes it longer
Oh, When did you fall out of love?
Out of love?
Oh, when did you run out of love for me?
Out of love? (Out of love)
Out of love? (Out of love)
Out of love with me?
