

Missing You

Mary J. Blige

I'm not in love
It's just some kind of thing I'm goin' through
Goin' through, goin' through
And it's not infatuation, oh no
Ain't nothin' goin' on 'tween me and you
Me and you, me and you
But I dream about it every night, baby
Wanting you here with me
Makin' love to me
And oh, oh
I'm missing you like crazy
Body and soul is aching
I'm out of control
Missing you so
I'm missing you
Missing you
Missing you
I'm missing you
I'm missing you
Missing you I'm not in love, no, no, no
And that's what I just keep tellin' myself
Over and over again
And I'm not the least bit amused by you baby
Yet still I don't wanna be with nobody else
No, no, no
And I dream about you all the time
Touchin' and kissin' me
And makin' love to me
And oh
I'm missing you like crazy
Body and soul is aching
I'm out of control
Missing you so
Oh yeah, missing you God knows I'm tryin' to keep you out of my head
I ain't tryin' to love no one
I ain't tryin' to get hurt again, no
But there's something that just yearns in my skin
And all I know is I can't let go
And that's the way it is I'm missing you like crazy
Body and soul is aching
Out of control
Missing you so

Oh, I'm
Missing you
Try to go somewhere
Missing you
Missing you
I'm missing you
Missing you
I'm missing you, oh
