

# U Make Me Wanna (feat. Mariah Carey)

## Jadakiss

Let's go K I S S me  
Uh and I just wanna make  
Love, love, love  
Uh, I love it when you say  
K I S S me  
Uh and I just wanna make  
Love, love, love A yo, the crib got your friends working  
We travel to France for French curtains  
You was there when I was on the bench hurtin'  
Now that I own my team it's only right that I condone my queen  
Try to show her my dream  
And I can't let her get lost now, she carries the money  
The hammer and material across town  
And understands she's fine and understands she's mine  
She understands the grind, cook, cleans and irons  
And whatever she wanna push I'ma co-sign  
And if I ain't got it already than I'ma go find it  
I guess I'ma lucky don and she's a lucky queen  
'Cause her jewelery box look likes lucky charms  
All color stones and she know that I'm in the hood  
But she also knows that I'm coming home  
Mr. Raspy thought I was in love with money  
Till the first time we getting nasty K I S S me  
Uh, and I just wanna make  
Love, love, love  
I love it when you say  
K I S S me  
Uh, and I just wanna make  
Love, love, love  
Uh yo, whatever the road to paradise is, we on it  
Gave you your income tax checks so I can get on with  
Those were the days, these are the times  
You held me down with nearly damn near everything  
Even my rhymes  
I will play a song for you and you will let me know exactly  
How the ladies will respond from a women's point of view  
And that's why my girl is with me  
I love it when she layin' in the bed with a pearl long vickie The next best thing to a soldier  
Go hard with a fat ass and a head full of rollers  
Just look in her eyes and tell she's real  
Just imagine the way she smells and the way she feel  
And the sex was crazy then and crazy still

And you know I'm from the streets so it's crazy ill  
And we waitin' on the new island  
We been to all them 4, 5 times, come on mommy, you whilin' K I S S me  
Uh, and I just wanna make  
Love, love, love  
Uh, I love it when you say  
K I S S me  
Uh, and I just wanna make  
Love, love, love Uh, when things was rough, only person I could call was you  
Now everything I do, I do it all for you  
Come touch me, come kiss me  
Come love me anyway you wanna, boy And I'm hood as long as I'm close to you  
And we doing what grown folks is supposed to do, come on  
Come hold me, come feel me  
Come take me anyway you wanna, baby Aye yo the money is great but what we got is more  
better  
We got the four letters when it comes from the heart it's more pleasure  
And for the fact that you trust me still  
Thus far I appreciate what we've built  
All the minks that I bought you that dragged the floor  
And all the nights you sat up and bagged the roar  
Damn, I'm thinking that you gotta hate it  
But yet and still you tolerate it that's why ma, we gotta make it K I S S me  
Yeah uh, and I just wanna make  
Love, love, love  
Yeah uh, I love it when you say  
K I S S me  
Uh and I just wanna make  
Love, love, love K I S S me  
And I just wanna make  
Love, love, love  
Yeah uh, I love it when you say  
K I S S me  
And I just wanna make  
Love, love, love You make me feel love
